An Act amending Articles 2994, 3886, 3891, 3892, 3897, 3932, 3937, 7331 and 7332, as amended, and re-enacting and amending Article 3883, and repealing Articles 3900, 3912 and 3894 of the Revised Civil Statutes of Texas, of 1925; repealing all provisions of law in conflict with this Act; all of said articles relating to fees and compensation of county, district and precinct officers; providing that if any portion of this Act be declared unconstitutional or invalid the remainder shall not be affected thereby; declaring an emergency; and providing that this Act shall become effective on January 1, 1931.

Be it enacted by the Legislature of Texas:

Section 1. That Article 2994 of the Revised Civil Statutes of Texas of 1925 be amended so that it shall hereafter read as follows:

Article 2994. Collector's Fees For Poll Taxes. The tax collector shall be paid fifteen cents for each poll tax receipt and certificate of exemption issued by him to be paid pro rata by the State and county in proportion to the amount of poll tax received by each, which amount shall include his compensation for administering oaths, furnishing lists of qualified voters in election precincts for use in all general and primary elections and primary convention when desired, and for all duties required of him under this title; provided, that collectors in counties having a population in excess of 25,000 as determined by Article 3889, shall receive only ten cents for each poll tax receipt and certificate of exemption issued by him.

Sec. 2. Article 3886 of the Revised Civil Statutes of Texas for 1925 is hereby amended so that the same shall hereafter read as follows:

Art. 3886. District and County Attorneys of Large Counties. In any county having a population in excess of 150,000 and having a county attorney, the county attorney shall receive, and in counties having a population in excess of 150,000 inhabitants which do not have a county attorney the district attorney or criminal district attorney shall receive all fees, commissions and perquisites earned by such office; provided that the amount of said salary, fees, commissions and perquisites to be so received and retained by him including in case of district attorneys the five hundred (\$500.00) dollars provided by the Constitution shall not exceed the sum of six thousand (\$6,000.00) dollars per year and the excess fees allowed under Article 3891; in counties having a population less than one hundred fifty thousand (150,000) inhabitants the district attorney or criminal district attorney thereof shall receive all fees, commissions and perquisites earned by such office; provided that the amount of said salary, fees, commissions and perquisites to be received and retained by him, including the five hundred dollars (\$500.00) provided by the constitution, shall not exceed the sum of

All salaries, fees, commissions and perquisites so earned and received by such office in excess of said amount during each and every fiscal year shall be paid into the county treasury of said county in accordance with the terms and provisions of the Maximum Fee Bill, except as to such portion of such excess as shall be used and expended in the payment of salaries to deputies, stenographers, investigators or other employees, as herein provided. Each such county attorney and each district attorney or criminal district attorney in counties of over 150,000 population having no county attorney, may appoint 7 assistant district attorneys, one of whom shall receive a salary not to exceed forty-eight hundred dollars per annum; one of whom shall receive a salary not to exceed forty-two hundred dollars per annum; one of whom shall receive a salary not to exceed thirty-six hundred dollars per annum; two of whom shall receive a salary not to exceed three thousand dollars per annum each; two of whom shall receive a salary not to exceed twenty-four hundred dollars per annum each. The salaries for such additional assistants and employees shall be paid monthly out of the excess fees collected by such district attorney or county attorney and his office which otherwise go to said county, a detailed sworn itemized statement of which he shall include in his annual report, as provided to be made in the Maximum Fee Bill. In no event shall said county be liable for the salaries of such additional assistants or employees. The compensation fixed by this chapter for sheriffs shall be exclusive of any reward received for the apprehension of criminals or fugitives from justice. The maximum fees for the compensation of district attorneys and criminal district at-

torneys shall be inclusive of the salary allowed such attorneys by the constitution. The maximum fees for the compensation of county judges and justices of the peace shall be exclusive of any compensation received for performing marriage ceremonies, which amount shall not be accountable for and not required to be reported as fees of office.

Provided that where any officer mentioned in this chapter has expenses of office for which he is required to file an expense account under Article 3899, the commissioners' court is hereby expressly inhibited and debarred from paying any ex-officio salary to such officer until such expense account has been filed in accordance with Article 3899.

Sec. 7. Article 3937, Revised Civil Statutes of 1925, is hereby amended so as to read as follows:

Art. 3937. Tax Assessor. Each assessor of taxes shall receive the following compensation for his services, which shall be estimated upon the total value of the property assessed as follows: For assessing the State and county taxes; on all sums for the first two million (\$2,000,000.00) dollars, or less, five cents for each one hundred (\$100.00) dollars of property assessed; on all sums in excess of two million (\$2,000,000.00) dollars, and less than five million (\$5,000,000.00) dollars, two and one-half cents on each one hundred (\$100.00) dollars, and on all sums in excess of five million (\$5,000,000.00) dollars, two and one-fourth cents on each one hundred (\$100.00) dollars; provided that in all counties in which the population does not exceed twelve thousand five hundred inhabitants, the assessor shall receive on all sums for the first four million dollars the sum of five cents for each one hundred dollars, and that on all sums above such amount the fees shall be as above stated; one-half of the above compensation shall be paid by the State, and one-half by the county; for assessing the taxes in all drainage districts, road districts or other political subdivisions of the county, the assessor shall be paid three-fifths of one cent for each one hundred dollars of the assessed values of such districts or subdivisions; provided such compensation as is paid to the assessor shall be prorated among the various drainage districts, road districts and other political subdivisions of the county according to the value of the prop-

erty assessed in each district, or other political subdivision; and for assessing the poll tax five cents for each poll which shall be paid by the State.

The commissioners' court shall allow the assessor of taxes such sums of money to be paid monthly from the county treasury, as may be necessary to pay for clerical work, taking assessments and making out the tax rolls of the county, (such sums so allowed to be deducted from the amount allowed to the assessor as compensation upon the completion of said tax rolls); provided, the amount allowed the assessor by the commissioners' court shall not exceed the compensation that may be due by county to him for assessing.

Sec. 8. Article 7331 of the Revised Civil Statutes of Texas for 1925 is hereby amended so as to read hereafter as follows:

Art. 7331. Fees of Tax Collector. For calculating and preparing redemption certificates and receipts, reporting and crediting redemptions, posting Comptroller's redemption numbers on the delinquent tax record or annual delinquent list, mailing certificates of redemption to taxpayers after approval by the Comptroller, and for issuing receipts or certificates of redemption for property shown on the annual delinquent list, the tax collector shall be entitled to a fee of one dollar (\$1.00) for each correct assessment of land to be sold, said fee to be taxed as costs against the delinquent. Correct assessments as herein used means the inventory of all properties owned by an individual for any one year. Provide, that in no case shall the State or county be liable for said fee. For checking up and taking off delinquency, separating and assorting various tracts or each assessment, prorating the taxes thereon, arranging the items by abstract numbers or lot and block numbers, and compiling the delinquent tax record herein required to be compiled whenever there shall be as many as two years of back taxes that have not been included in the delinquent record, the tax collector shall be paid out of the general fund of the county, five cents for each written line of the original of such delinquent record, not to exceed twenty-five

cents for any one tract or abstract rendered, returned delinquent and owned by one tax payer; such fee to be taxed as costs, and to be paid back into the general fund of the county when collected. For the collection of delinquent taxes on real estate and for performing all duties relating to such taxes for which no compensation is otherwise provided, the tax collector shall receive five per cent of all delinquent taxes collected by him.

Sec. 9. Article 7352 of the Revised Civil Statutes of Texas for 1925 as amended by Chapter 143 of the Acts of the Regular Session of the Forty-first Legislature is hereby amended so that the same shall hereafter read as follows:

Art. 7352. Other Fees. The County attorney or district attorney shall represent the State and county in all suits against delinquent taxpayers that are provided for in this law, and all sums collected shall be paid immediately to the county collectors. In all cases except those under private contract the compensation for said attorney shall be five dollars (\$5.00) for the first tract in one suit, and one dollars (\$1.00) for each additional tract involved in the same suit; provided said attorney shall give thirty days written notice to the last known record owner of the property involved by mailing to his last known address, notice thereof, before suit is filed and said attorney shall receive for the giving of such notice the sum of fifty cents which shall be collected as costs of suit, if suit is filed, or by the collector if no suit is filed, which amount shall be paid to the attorney. Failure to send or receive the above notice shall be no defense to a suit for taxes. The sheriff shall be entitled to a fee of one dollar (\$1.00) for selling and making deed thereto to each purchaser of land that he sells under judgment for taxes; and for serving citation and all other services he shall receive the same fees as allowed by law for similar services in civil suits. The district clerk shall receive the same fees in such suits as are allowed in other civil suits as provided in Articles 3927 and 3928 of the Revised Civil Statutes of Texas for 1925 to be taxed as costs of suit; provided the fees of the district clerk shall not exceed the sum of three dollars

(\$3.00) in any one case, except in cases where the clerk issues citations out of the county or notices to serve non-residents the fees shall not exceed five dollars (\$5.00) in any one case. The county clerk, for making out and recording the date of each assessment, for certifying same in the minutes of the commissioners' court, for posting redemption certificates, for assisting in securing names of present owners of delinquent lands, and for other services in such suits, shall receive one dollar (\$1.00); provided herein that any clerk who fails to perform those duties shall not receive the fee allowed herein. Where such suits are brought against delinquents to recover taxes due by them to the State and county, and the said delinquent pays the amount of taxes, interest, penalties and all accrued costs to the county collector during the pendency of such suit, then the county attorney shall receive as compensation therefor two dollars (\$2.00) for the first tract and one dollar (\$1.00) for each additional tract embraced in said suit. The attorney who institutes a suit and has prosecuted the same to judgment in the district court shall receive all fees allowed under this article even though he has been succeeded in office by another attorney; provided, in case the judgment is appealed, then, and in that event, the attorney who secured the judgment shall be entitled to an equal division with his successor in office of the fees allowed therein, and the same shall be paid to him whenever collected, regardless of the time when collected, but said fees shall be subject to the provisions of this chapter and the Fee Bill pertaining to the maximum amount allowed. Provided that no provision of this article or of this Act shall be construed as affecting the vested rights of any persons in fees or compensation already earned prior to the taking effect of this Act.

Sec. 10. Articles 3900, 3912 and 3894 of the Revised Civil Statutes of Texas for 1925 and any provision of law, general or special, relating to fees of county or district officers, in conflict with the provisions of this Act are hereby expressly repealed. Officers named in Article 3883 and 3883a in counties having a population of twenty-five thousand or less as well as in all other counties shall

make the report and keep the statement required in Article 3896 and 3897, and shall be subject to the limitations and requirements of the fee bill. Provided, however, that nothing herein shall be construed to affect or repeal Chapter 271, Acts Regular Session, Fortieth Legislature, page 409, relating to fees of county attorneys in certain counties, but shall be cumulative thereof.

Sec. 11. Article 3883 of the Revised Civil Statutes of 1925 is hereby amended and re-enacted so as to read as follows:

Art. 3883. Maximum Fees.—Except as otherwise herein provided, the maximum annual fees that may be retained by county officers mentioned in this Article shall be as follows:

1. In counties containing less than twenty-five thousand inhabitants: County judge, \$2250.00; Sheriff, \$2750.00; County clerk \$2250.00; County attorney, \$2250.00; District clerk, \$2250.00; Tax collector, \$2250.00; Tax assessor, \$2250.00; Justice of the peace, \$2000.00; Constable \$2000.00;

2. In counties containing as many as twenty-five thousand and less than thirty-seven thousand five hundred inhabitants in which there is no city containing over twenty-five thousand inhabitants: County judge \$2500.00; Sheriff \$3000.00; County clerk \$2400.00; County attorney \$2400.00; District attorney \$2500.00; District clerk \$2400.00; Tax assessor \$2400.00; Tax collector \$2400.00.

3. In counties containing as many as thirty-seven thousand five hundred inhabitants or containing a city of over twenty-five thousand inhabitants: County judge \$3500.00; Sheriff \$3500.00; County clerk \$2750.00; County attorney \$3500.00; District attorney \$2500.00; District clerk \$2750.00; Tax collector \$2750.00; Tax assessor \$2750.00.

Compensation herein fixed for sheriff of any county shall be exclusive of any reward received for the apprehension of criminals or fugitives from justice. The maximum fixed for the compensation of each district attorney shall be inclusive of the salary allowed by the Constitution.

Sec. 12. If any section, sentence or any part whatever of this Act should be held to be unconstitutional or invalid, the same shall not effect.

the remaining portions of this Act, and it is hereby declared that the Legislature would have passed that part which is constitutional and valid.

Sec. 13. The fact that the Constitution limits the period of this special session of the Legislature and the limited time remaining, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended, and said rule is hereby suspended.

Sec. 14. This Act shall take effect and be in force from and after January 1, 1931.

The report was read in part, further reading being dispensed with on motion of Senator Berkeley, and adopted.

Senators Small and Miller received unanimous consent to be recorded as voting against the report.

Senator McFarlane moved to reconsider the vote by which the report was adopted. The motion prevailed.

The report was adopted by the following vote:

Reason for Vote.

On the adoption of the Free Conference report on H. B. No. 9, I voted yea for the following reason:

I served on the Free Conference

Committee and contended that some of the maximums were too high, but as the committee worked in a spirit of compromise I was forced to accept some provisions to which I object, but as the bill provides that all fees are accountable which will create a record from which future Legislatures can legislate and further that I think this bill is better than the present condition I voted for it, but in so doing I have no intention of raising salaries but hope that under the operation of this bill the Legislature can intelligently cut down a large number of salaries in this State.

DeBERRY.

Reason for Vote.

I am very much in favor of limiting county officials to a salary much less than provided by this bill. I would, however, favor limiting to \$12,500.00 at this time if this bill did not remove the bars and permit all county officials in large counties to make \$12,500.00 whereas at this time many of them receive about \$7,000.00.

I am firmly of the opinion that in the ultimate this bill will cost the taxpayers more for salaries of county officials than it does under the present system.

MILLER.

Reason for Vote.

I desire to file my reasons for voting yea upon the motion to adopt the Conference Committee report on House Bill No. 9, finally passing that bill known as the Fee Bill. I voted for this bill because it fixes a maximum compensation of \$12,500 per year for all county officers in this State, and requires all fees collected above that maximum by any county officer, to be turned into the general fund of that county. The bill in the form in which it passed will thus save to Dallas County many thousand dollars per year, and I voted for it for that reason, notwithstanding it does not go as far as I think it ought to go.

I offered an amendment to this bill when it was pending in the Senate, reducing the maximum compensation for every county officer in Texas to \$10,000 per annum. This amendment

was tabled by the Senate. If it had been adopted and the bill passed with that amendment, it would have saved Dallas County and other counties in the State, several thousand dollars more than will be saved in the bill as passed, and would have given to the county officers affected by this bill a net compensation of \$10,000 per annum, which is equal to the salary of a United States Senator.

When this same bill was introduced by the Senator from Lubbock, in the Second Called Session of this Legislature, it limited the compensation of all county officers to \$10,000 per year. When it came before the Senate at that time, an amendment was offered increasing the limit of compensation for any county officer in Texas from \$10,000 to \$15,000 per annum and 13 Senators, including myself, voted against the amendment, while an equal number of Senators voted for it, and the Lieutenant Governor broke the tie by casting his vote in favor of the amendment, and thus the limit of compensation fixed as maximum for county officers was raised from \$10,000 to \$15,000 per annum; then a motion was made to kill the bill, even with this \$15,000 limit, by indefinite postponement, and 13 Senators, including myself, voted against killing the bill and an equal number voted for it, and the Lieutenant Governor broke the tie by casting the deciding vote for indefinite postponement, thus killing the bill as amended, carrying the \$15,000 maximum.

I voted yea on this bill because a part of a loaf is better than no bread, but I am firmly convinced that \$10,000 per annum is the very topmost limit of compensation that any county officer in Texas should be allowed to retain out of his fees of office, and that all above that sum should be converted into the county treasury where it is badly needed for many purposes.

The Chair laid before the Senate on its second reading the following bill:

H. B. No. 10, A bill to be entitled

"An Act to provide that the Texas Prison Board shall arrange for schools in all of the penitentiaries and penitentiary farms of the State of Texas, providing for compulsory instruction of illiterates; and hours of attendance that credit shall be given on sentence for attendance and instruction in such schools; that the Chaplains shall be charged with the duty of organizing and supervising such schools; that instructors shall be prisoners as far as practicable and that Texas Prison Board shall make rules and regulations making effective the provisions of this Act."

Senator McFarlane sent up the following amendment:

Amendment.

Amend H. B. No. 10, by striking out all below the enacting clause and inserting in lieu thereof the following:

Section 1. The Texas Prison Board shall immediately arrange for the teaching of reading, writing, spelling and arithmetic to all inmates of the penitentiary of the State of Texas. All illiterates shall receive instruction the equal of five hours per week and all other prisoners may at their option receive such instruction. The hours fixed for such instruction shall be other than those hours now fixed by law for labor. Nothing herein contained shall prevent the illiterate prisoners from organizing for themselves special instruction or classified instruction of a higher class than that enumerated herein above.

Sec. 2. Each prisoner attending such instruction in good faith, or who shall act as an instructor of such prisoners, shall be allowed as a credit on the term of his sentence one-half hour additional than that now allowed by law for good behavior for each hour in attendance either as receiver or giver of instructions.

Sec. 3. It shall be the duty of the Chaplains of the prison system to organize under the direction of the Texas Prison Board such instruction, and to supervise the same after organization. Prisoners with the aid of the Chaplains shall be the teachers and instructors.

Sec. 4. The Texas Prison Board is hereby authorized to and shall prescribe and promulgate such rules

and regulations as may be necessary to make the provisions of this Act effective, but said Texas Prison Board shall not be required to build any additional buildings for said purpose. The Texas Prison Board shall arrange with the State Superintendent of Public Instruction for a sufficient number of second-hand text books for said purpose.

Sec. 5. The fact that no provision is made in the statutes of the State of Texas for the educational instruction of prisoners, creates an emergency and an imperative public necessity requiring the suspension of the constitutional rule providing that an Act be read on three separate days and such rule is hereby suspended and this Act shall be in force and effect from and after its passage and it is so enacted.

House Bill No. 48.

Committee Room,

Austin, Texas, Feb. 18, 1930.

Hon. Barry Miller, President of the Senate, and

Hon. W. S. Barron, Speaker of the House of Representatives.

Sirs: We, your Conference Committee appointed to consider the differences between the two Houses on

H. B. No. 48, A bill to be entitled "An Act providing for the obtaining of a statement of facts on appeal by a pauper and providing the compensation of the court reporter and providing an emergency,"

Have met and after full and free conference have agreed to make and do make the following recommendations, to-wit:

1. That the Senate recede from its amendment to H. B. No. 48 as passed by the House and that H. B. No. 48 as passed by the House be adopted as follows:

Be it Enacted by the Legislature of the State of Texas:

Section 1. In any civil case where the appellant or plaintiff in error has made the proof required to appeal his case without bond, such party shall make affidavit to such fact, and upon the making and filing of such affidavit the court shall order the official reporter to make a transcript in narrative form in duplicate, and to deliver the same to said party, but such court reporter shall receive no pay for same.

Sec. 2. The fact that there is now no law providing a way by which a pauper may obtain a statement of facts in order to take an appeal creates an imperative public necessity, demanding that the constitutional rule requiring bills to be read in each House on three several days be suspended, and the same is hereby suspended, and this Act shall take

effect and be in force from and after its passage and it is so enacted.

House Bill No. 85.

Senator Holbrook sent up the following Free Conference report on H. B. No. 35:

Hon. Barry Miller, President of the Senate, and

Hon. W. S. Barron, Speaker of the House of Representatives.

Sirs: We, your Free Conference Committee on H. B. No. 35, beg leave to submit the following report:

By Sanders.

H. B. No. 35.

A BILL

To Be Entitled

"An Act relating to occupation tax on the production of sulphur, providing for an occupation tax of fifty cents (\$0.50) per ton on all sulphur produced within the State of Texas; providing for reports and records imposing forfeitures and penalties for failure to keep records; providing penalties for failure to pay tax; directing the bringing of suit for the recovery of taxes, penalties and interest; providing for the appropriation and use of the revenues collected hereunder, and further providing that the taxes so derived, shall be considered in reducing the tax rate for public free school purposes as determined by the State Tax Board and the manner thereof; and enacting other provisions incident and necessary to the subject and purpose of this Act; repealing all laws or parts of laws in conflict with this Act; expressly repealing Article 7066, Revised Civil Statutes, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. Each person who owns, controls, manages, leases, or operates, any sulphur mine, or mines, wells or shafts or who produces sulphur by any method, system, or manner within this State shall make quarterly on the first day of January, April, July, and October of each year a report to the Comptroller sworn to by such person before an officer authorized to administer oaths in this State, or if such person be other than an individual, so sworn to by its president, secretary, or other duly authorized officer, on such forms as the Comptroller shall prescribe showing the total amount of sulphur produced within this State by said person during the quarter next preceding; and at the time of making said report shall pay to the treasurer of

this State an occupation tax for the quarter beginning on said date an amount equal to fifty cents per long ton, or fraction thereof, of all sulphur produced by said person within the State of Texas, during such preceding quarter.

Each person subject to the payment of this tax shall cause to be made, kept and preserved a full and complete record of all sulphur produced in this State by it, all of which record shall be open at all times to official inspection and examination by the Comptroller or the Attorney General, or any employee of or representative of the Comptroller or the Attorney General. Said records may be destroyed after three years from the last entry appearing in any such record. Any person failing to keep such record, or records, as herein required, shall forfeit to the State of Texas as a penalty any sum not less than five hundred dollars nor more than five thousand dollars payable to the State of Texas, and each ten days of failure to keep such records shall constitute a separate offense and subject the offender to additional penalties for each such period of failure to keep such records. Any person subject to the payment of said tax on sulphur failing to pay the tax levied in this article within thirty days after same is due and payable shall pay to the State as a penalty an additional amount equal to ten per cent of the taxes due, and such tax and penalty shall draw interest at the rate of six per cent per annum from the due date until paid. The Attorney General of any district or county attorney at the direction of the Attorney General shall bring suit in behalf of the State to recover the amount of taxes, penalties, and interest past due and payable by any person affected by this law. The word "person" as used in this law shall include persons, firms, partnerships, companies, corporations, associations, common law trusts, or other concerns by whatever name or howsoever organized, formed, or created.

The Comptroller may require such other information and such additional reports as he may deem advisable.

Sec. 2. The one-fourth ($\frac{1}{4}$) of the occupation tax hereby imposed

and collected constitutionally allocated to the available public free school fund, shall be set aside to such purposes, with the remaining three-fourths ($\frac{3}{4}$) of the said revenues to accrue to the credit of the general revenue fund of the State, until July 1, 1931, after which date the said three-fourths ($\frac{3}{4}$) of the revenues derived from such tax shall be set aside to the available school fund to be used for public free school purposes in the payment of the per capita for all the children within the scholastic age. It being expressly provided that the State Tax Board shall take into consideration in their determination of the rate to be collected for public free school purposes as provided in Article 7043, Revised Civil Statutes, the amount of money paid into the available school fund under the provisions of this Act in the following manner, that said Tax Board shall determine the rate which will be sufficient to yield and produce for the fiscal year under consideration, the necessary per capita for all the children within the scholastic age as shown by the most recent official scholastic census, as provided in said Article 7043, Revised Civil Statutes, and deduct from such rate so determined, such percentage and rate as would be necessary to produce a sum of money equal to the amount paid into the treasury under the provisions of this Act during the first half of the current calendar year and the latter half of the preceding calendar year, and the rate and percentage so found shall constitute the ad valorem rate to be levied and collected for public free school purposes.

Sec. 3. That the first report shall be made under this Act and the first tax due and payable on July 1, 1930, and any person producing sulphur prior to that date shall make the report and pay the tax required by this Act.

Sec. 4. That all laws and parts of laws in conflict with this Act and particularly Article 7066, Revised Civil Statutes, are hereby expressly repealed.

Sec. 5. The provisions of this Act are severable, and if any of the provisions hereof shall be held void the decision of the court shall not affect or impair any of the remain-

ing provisions, and it is hereby declared as the legislative intent that the provisions, sentences and phrases not declared to be illegal or void, would have been enacted and adopted without the inclusion of the provisions, sentences and phrases declared void and invalid.

Sec. 6. The fact that the present tax upon the production of sulphur is totally insufficient and inadequate; that appropriations for educational purposes to be made by this Legislature require that additional revenue be raised by equitable taxation, and the rapid approach of the end of this session, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and said rule is hereby suspended, and that this Act shall take effect and be in force from and after its passage, and it is so enacted.

Reason For Vote.

On the Free Conference report on H. B. No. 35, I vote yea for the following reasons:

In yesterday's Journal I stated that I reserved the right to vote for a fair compromise as between the 26 cents per ton now paid and the \$1.00 advocated by the House Bill. I had hoped that all parties would agree to a compromise around 60 cents or 65 cents. Possibly 50 cents per ton is too low and I will in the future, if proper proof is submitted, vote to increase that tax but rather

than to take chances I am voting for 50 cents which is practically double that tax. I further believe, according to my present information, that the gross production tax on oil levied be raised and that gas and other natural resources should be taxed more. I still insist that we have the cart before the horse and that the ad valorem constitutional tax should be entirely removed or substantially cut, because they should be relieved first then raise the revenue lost by that by special forms of taxes. The pitiful part is that even if we raise these taxes on natural industries and other things that we spend that money and still leave property taxes abnormally high.

Message from the Governor.

The Chair recognized the Doorkeeper, who introduced a messenger from the Governor with the following message:

Executive Office,

Austin, Texas, Feb. 18, 1930.

To the Senate of Texas of the Forty-first Legislature:

I return herewith Senate Bill No. 12, which I have vetoed.

This bill raises the fees of constables in civil cases filed in the justices of the peace courts. Under this schedule of fees the costs of court in cases involving small sums of money would almost prohibit the filing of such cases. The citizen is entitled to a tribunal in which he may bring suit upon small claims where the cost will not be prohibitive. In my judgment this bill places the cost too high. To illustrate, just the fee for returning a writ of execution nulla bona would be three dollars, or ten per cent of a thirty dollar claim.

Respectfully submitted,
DAN MOODY, Governor of Texas.
